## Mass

Dear Lord,  
Help us to build your kingdom in our hearts and in the world - to do your work on earth with love and care for all.

Amen.

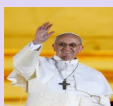

Remember, **you must wear your mask when on school premises and keep your distance inside and outside school.**

Follow the rules to keep everyone safe.  
Thank you.

## Summer Term 2021

### Sun Safety

Once again this week, the temperatures are expected to be extremely high. To help make the children more comfortable, Parents & Carers were sent text messages, giving permission for children to wear their PE kit to school for this week only. Please ensure that your child also has their water bottle everyday (clearly labelled with name & class please).

If your child suffers from hay fever, give them their medicine: eye drops or piriton **before** school.

Please apply sun cream before school and give them a hat for playtime & lunchtime to protect their head & face. Thank you

### Active Club

#### Breakfast & After School Club

The Active Club will be reopening its **before school & after school** sessions on our school premises from **September 2021**.

### Maths Challenge No 4

#### Maths Challenge of the Week

Gbemi has three coins. Altogether the coins make seventy-one pence. Which three coins does Gbemi have?

Some of last week's solutions:

$10 \times 24 = 240 + 1$   
 $10 \times 12 = 240 + 2$   
Double 24 = 50 - 2  
Double 23 = 50 - 4
