## Happy Easter

It has been a very long, but rewarding term at St. Francis. The Easter period is always a special time for us. We are working in school as if this was Holy Week which allows us to emphasise to everyone within our Parish and community, the distinctive nature of our school. It is clear to all at this time that we are a Christ centred school with the Gospel values at our core. I would like to thank parents for their continued support for the ethos and mission statement of the school. I hope you all have a happy, Holy and peaceful Easter.
