Spring Term 2021

Dear Parent/ Carer,

Expectations for remote learning during COVID Lockdown

While schools are partially closed, children who remain at home during this time, are still expected to **fully participate** daily in all online lessons and complete all work set.

The Governors have made it clear that they will support the Headteacher and Education Welfare Services in promoting high levels of daily Zoom attendance and taking action where there are unsatisfactory reasons for absence.

Therefore, it is essential that if your child is unable to attend a daily Zoom lesson that you contact the school before 9am, just as you would if your child was unwell and not able to attend school. If you are having any difficulty with the online learning, then please get in touch with the school.

Liz Harris: Headteacher.
