Mass

Dear Lord,
Please help me to stay calm when life is stormy and show me how I can help others to stay calm too.

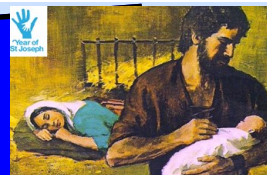

Amen.

Parent/ Carer

If you need to travel for any reason during term time and you are leaving your child/ children in the care of another family member or friend you must inform Miss Harris or the school office before travelling. If you are taking your child/children, a request form must be completed before departure.

Summer Term 2021

Hayfever

At this time of year there are many different types of pollen in the air: grass, tree, flower etc. Many of our children seem to have or have developed hay fever this term and as a consequence are suffering from red swollen eyes, runny noses, itchy throats, headaches etc. As you can imagine, it is impossible to focus and achieve your best work with these symptoms. Medication such as eye drops or anti-histamines should be given before school. If a child is still suffering symptoms then a GP appointment maybe necessary for something stronger to ease the symptoms. The NHS website has helpful information or speak to your local pharmacist.

Year 6 SATs

We were very proud of Year 6 children, last week they undertook their SATs tests with a great deal of diligence. Even though these are not statutory this year, we decided that continuing with them would enable us to give even more accurate teacher assessments as well as benchmark where we are as a school. Well done Year 6!

Active Club

Breakfast & After School Club

The Active Club will be reopening its **before & after school** sessions on our school premises from **September 2021.**

Please refer to the email sent last week for times and prices.

RE Reflection of the Week

"Having faith means keeping your heart turned to God, to his love, to his Fatherly tenderness, amid the storm Jesus wanted to teach this to the disciples, and also to us today."
Pope Francis.

Maths Challenge of the Week

p and **q** each stand for whole numbers.
p + q = 1000
p is greater than **q**. Calculate the numbers **p** and **q**.

Last week's solution:

$$50p + 20p + 1p = 71p$$
