RE Reflection of the Week

"Dear brothers & sisters, be an active presence in the community."

Pope Francis.

Spring Term 2021

Dear Parent/Carer,

I meet with all the Senior Leadership Team and Teachers regularly to review our current provision for home and school learning. Without exception, every teacher praised your child/ren: excellent attendance on zoom and school; regular completion of work to a high standard; high levels of engagement and participation; enthusiasm and eagerness to learn in this new way and maintaining their cheerful and joyful disposition.

The staff recognise the role that you are playing in this and the support that you are providing. Thank you. I am so pleased of the way the school is operating at the moment. Some Class teachers are working from home - I cannot 'see' them on a daily basis but I am in contact with them and see the fruits of their labour. Support Staff, Class Teachers and Premises Staff and Cleaners working in school daily ensure that the provision in school is safe and of a high standard. Office staff are ensuring food vouchers and food parcels are available. What a team!!

Mark Walsh works daily to ensure that our IT infrastructure enables us to offer our remote learning (not an easy task!). Parents/Carers are doing a great job whilst still supporting the children at home, whilst juggling all their other responsibilities and making all this possible. Governors continue to provide the school with strong leadership assisting with reviewing risk assessments and preparing for the next steps in our full reopening.

I am reminded of St Paul's letter to the Corinthians when he describes the Church as one body with many parts. This is how the school feels right now. All the different parts are contributing something unique, and each part is necessary. There are so many different moving parts and yet it is all coming together. If you don't mind me saying, I do feel very proud. Thank you everyone.

Liz Harris
