Autumn Term 2018

Green Fingers

On Wednesday 21st November, we welcomed Christopher Collins, the former Blue Peter gardener, to our school! He led a brilliant whole school assembly in the morning, explaining to us what to consider when designing a school garden and how to look after it. He then spent the day working with the children on various gardening projects.

Year 2 made 'Crazy Heads' by planting grass seeds into designed pots.

Year 4 went outside and created a herb 'pizza-wheel' garden.

They weeded, dug and planted the garden, with a little help from Chris!

We can't wait to see it grow!

Then in the afternoon, Year 6 explored the school grounds and designed plans for a school garden. Hopefully, we will be able to put those plans into action!

Perhaps you could ask the children what they learnt about gardening and try designing and creating your own gardens at home. We would like to thank Mr Collins for his time, the children gained ever so much from it.

We also want to thank ISS, our catering company, who made all of this possible!
