### Reading Display— Flying High with Reading

We are sure the children have told you about the lovely reading display being created in our library. The children are working hard producing book reviews, recommendations and videos to promote reading. We can't wait until it is finished and will be able to share it with you. Thank you for all your reading outside school.

Thank you for all your 'reading photos' they will also be part of the display.

### Phonics Parent Workshops

Thank you to all the Parents & Carers that came along to the Year 1, Year 2 Phonics workshop last Monday, Nursery Parents workshop on Thursday and Reception workshop on Friday. We hope you enjoyed them and picked up some useful hints and tips to help you and your child work at home.

Some advisors from our local authority came to visit the school on 24th January. They spent the day around the school watching lessons, looking at children's books and talking to staff. They had a lovely day and complimented the pupils.

"Pupils behave very well; they are polite, courteous, confident & responsible. They collaborate with each other very well, work independently and are respectful towards adults and each other".

They also said how well the learning environments supported learning.

### Design & Technology Exhibition

Tuesday 6th—Friday 8th  
February
