Spring Term

WORLD BOOK DAY

WE WON FIRST PRIZE!!!!

We are beyond thrilled! Well done to all the children and staff, who worked so hard to create our winning 'Flying High with Reading' space themed display. Thank you to all of you who emailed in photos of children reading at home, these photos are in pride of place on stars in the display. On the 14th March we look forward to welcoming the judges: Olympic gold medallist and author, Sir Chris Hoy; Author, Joanna Nadin; Illustrator, Clare Elsom and the Director of World Book Day, Kirsten Grant to our school!! Here's what they had to say about our prize winning entry:

'We were all so impressed by the entry from St Francis RC Primary and their interpretation of "flying high with reading". St Francis RC Primary took the theme and blasted off, bringing the world of stories into outer space. As authors we see stories as portals to reach the wilds of our imagination, and this was reflected in their no-limits, whole-school effort, which catered for all reading abilities and ages with unique displays and spectacular inspired details, including space passports and reading planets – truly out of this world. We cannot wait to visit!'

We look also look forward to spending our £5,000 prize money at the lovely bookshop 'Tales on Moon Lane'! This is an incredible achievement!
